"B.A. Emmons Homes takes the extra steps to ensure that your home will stand the test of time. You will be amazed when you walk into our magnificent 4-bedroom, 2-bathroom, open-floor concept homes. You are greeted by a large open living area, recessed lights, and windows that let in plenty of natural light. The kitchen doesn't disappoint. The granite counters, tile back splash and beautiful, dark, oak stained cabinets work perfectly together. The bathrooms have gorgeous accent tile work. Our quality workmanship and materials guarantee you not just a house, but a home to enjoy for years to come."

Home Warranty 1, 2 & 10
